 International Conference on Managing Megacities 2016 DPA UOK

 For live update #mega2016

A joint collaboration between the Schar School of Policy & Government, George Mason University and the Department of Public Administration, University of Karachi, this conference will examine issues related to megacities with a particular focus on Karachi. The event will feature prominent scholars, professors and urban planners from a number of global megacities. It will also be graced by policy makers and government officials from Karachi. The conference will highlight insights gained through research done in Karachi in the following domains:

Water and Urban Governance

Transport

Health

Education

Youth
