ADMISSION POLICY

As per approval by the Academic Council, admissions to BS/B.Sc/B.A (Honors) and Masters Programs in Karachi University are granted according to merit under categories K, S and P. However, certain seats are reserved for Balochistan, Interior Sindh, FATA, Azad Jammu & Kashmir and Northern Areas, Armed Forces, and Children of Karachi University Teachers and Employees, Disabled Persons and Sports. Merit is the only criterion for reserved seats, as well.

Note:
1. Subjected to eligibility, admissions on reserved seats for FATA, Northern Areas and Azad Jammu & Kashmir are granted through nominations from Kashmir Affairs & Northern Areas Division, Government of Pakistan, and Islamabad.
2. Similarly, Admissions on reserved seats for the Armed forces are granted through nominations from the General Head Quarters(GHQ).

Admissions on Merit Seats

Since the number of applicants for the BS /B.Sc/B.A (Hons.)&Masters Programs is much higher than the number of available seats, as per the University rules, the applicants have been divided into three categories i.e. K, S, and P.

1. Category “K” refers to those applicants who have passed their Secondary School Certificate (Matric), Higher Secondary Certificate (Intermediate) or equivalent, and graduation degree from educational institutions situated in Karachi and also recognized or affiliated by the University of Karachi.

   Five percent (5%) seats have been reserved for applicants who have completed their graduation from other degree awarding institutions situated in Karachi and recognized by the University of Karachi.

2. Category “S” refers to those applicants who have passed at least one of the certificates (Matric or Intermediate) or degree examinations from a recognized educational institution in the Province of Sindh (excluding Karachi).

3. Category “P” refers to those applicants who have passed at least one of the certificates (Matric or Intermediate) or degree examinations from a recognized educational institution outside the Province of Sindh or Pakistan.

Preference in admissions is given to “K” category candidates. In case seats are left vacant, “S” category candidates are considered. If seats are still available then consideration is given to “P” category candidates.

As per directives of the Academic Council, 30 seats have been allocated for the students of Interior Sindh, besides “S” Category, in those subjects which are not offered in the Public Sector Universities of Interior Sindh. However, such students should have the domicile of Interior Sindh and they must have acquired the entire education from that area.

Keeping in view the prevailing situation of Balochistan, 20 seats have been allocated for the deserving students of this province. However, conditions applicable on the students of Interior Sindh will be followed here as well.

Admissions in the University are given strictly as per the above mentioned criteria of categories.
