Masters & Diploma Programs
Admissions 2014-15

Directorate of Evening Program
University of Karachi
MESSAGE

I welcome all the keen seekers of admission to the University of Karachi, who can secure admission in the desired department by satisfying the specific criteria. I find it important to highlight that the University of Karachi is untiringly struggling to promote higher education in the region. Due to this fact, University of Karachi stands in the list of top 200 Universities in Asia. Nevertheless, this journey of rapid development does not limit itself to the current international ranking only; we are rather trying very hard to take our Alma Mater to the list of top ten universities in the World. In this relation, extensive developmental work is being carried out in every sphere of the University, be it academic or administrative.

Our teaching and research is on a par with the international standards and address issues that have a global impact. Despite acute financial crises, the facilities that the University provides make the learning process easier and interesting. In short, we are fervently trying to raise a well-educated, professionally skilled and technically advanced new generation in Pakistan.

It is a matter of pride for me that the name of University of Karachi is a guarantee for absolute success and leadership in every field. This has been possible because of its alumni who are serving at outstanding positions at all levels of societal and professional brilliance.

As far as the admissions 2014 are concerned, I must say that we follow very strict merit criteria for admission in all the departments. Self-finance seats are introduced for the prospective students but even there the basic merit criteria are not compromised.

I wish best of luck to all those who wish to join University of Karachi for further studies and ensure that merit is given the first priority at University of Karachi.

Prof. Dr. Muhammad Qaiser
Vice-Chancellor
MESSAGE

I would like to take this opportunity to welcome the students who wish to get admission in this august institution.

University of Karachi is one of the oldest and highly renowned institutions in Pakistan and has worldwide recognition. The higher education through evening program is an opportunity for those who due to any reason may not continue their education. Thus, the Evening Program with highly qualified and dedicated faculty members and supporting staff provide them an excellent opportunity to excel in the fields of their interest.

We have a very good reputation during the last 18 years and I sincerely hope that with the support and cooperation of the faculty members we will be able to produce the best graduates in all disciplines who will serve the country with pride and honour.

I wish the new entrants a very bright and successful future.

Prof. Dr. Abid Hasnain
Director

Introduction

Established in June, 1951 the University of Karachi is known as one of the premier centers of teaching and research in the sub-continent and the third world. A large number of students from Karachi and other parts of the country are desirous of admission at this university for its high standard of education and highly qualified faculty. A number of scientists and scholars affiliated with the University are working in important positions both within and outside Pakistan and have won significant recognition and acclaim. One of the institutes of the University has got the distinction of being named as the Centre of the Third World Academy of Sciences. Students from several foreign countries are also pursuing for the Masters and Doctorate degrees. As the population of the city is increasing day by day, it is a real challenge for the University to accommodate all the applicants in various courses of studies in the morning program. Hence, to meet the increasing demand of education in various disciplines, the university has been running the Evening Programs in several departments at the Masters, BS, Diploma and Certificate levels since the Directorate of Evening Program was established in 1995 to administer the Evening Program. The curricula for Morning and Evening programs are identical for the awards of university's degrees. In most cases, same teachers as well as the same laboratories and library facilities are available to the students of the morning and evening programs. Attendance, teaching and examination standard are the same for both the shifts.

At present, teaching in the University campus is conducted under seven faculties; Faculty of Arts; Faculty of Education, Faculty of Engineering, Faculty of Islamic Studies, Faculty of Management & Administrative Sciences, Faculty of Pharmacy and Faculty of Science. As many as 52 departments and over 17 research institute/centers are imparting education to more than 24,000 students including students from foreign countries. The faculty comprises more than 600 highly qualified and experienced teachers, many of them have obtained higher degrees from abroad and earned international repute. The non-teaching staff comprises more than 2500 members to help with administrative and other matters.

The University of Karachi is also an affiliating and examining body. At present, more than 145 colleges and institutions are affiliated to the University. The courses of studies for these institutions are approved by the University and examinations are also conducted under its auspices. The University conducts examination of about 150,000 students studying in these colleges/institutes, and prepares their results and awards degrees.

Students' Affairs

To look after students affairs in general, and to supervise their extra curricular activities, an office of Advisor Students Affairs for the purpose is situated at the first floor of the Administration block. Teachers and the staff are available for guidance of the students.

In order to help the passing out students in securing jobs and solve their practical problems, an office of Students Guidance, Counseling and Placement Bureau functions at the first floor of a building facing Masjid-e-Ibrahim. The Bureau also conducts preparatory classes, every year, for those who wish to appear in the CSS examinations or to develop proficiency in the English language.
Discipline Committee
A discipline committee maintains law and order at the campus to ensure a proper academic environment. The Committee takes notice of the cases of infringement of law and order, and undesirable activities at the campus, and takes disciplinary action against the offenders. The Vice-Chancellor is Chairman of this Committee while the Advisor, Students' Affairs is its member secretary. The Committee meets several times a year to review the prevailing law and order situation and other related matters and take appropriate decisions.

Evening Program
The Evening Program of the University of Karachi offers Masters / Diploma Programs. The timings of the program have been scheduled from 3:30 p.m. In departments where laboratory experiments are involved, it usually commences at 3:30 p.m. while in others, teaching schedule is decided by the department's management according to the needs of the courses within the working hours of the Evening Program. The timings of the program provide an excellent opportunity to individuals, who are in-service and want to improve their academic qualifications, for enhancing their learning and career prospects.

The admission process begins in May/June through newspaper announcements and classes for the first semester commence from July. During the holy month of Ramadan, the classes remain suspended. There are two semesters in a year. Tuition fee is charged in each semester. The fee varies from Rs.14,500/- to 41,000/- per semester for different diploma/degree programs.

Who Should Enroll ?
- All prospective students wishing to join the University immediately to have an early start of their higher education.
- In-service candidates who are keen to improve their qualifications and skills.
- Female students are encouraged to enroll. Presently, nearly 40% girls are studying in the Evening Program.
- There is no restriction on the year of passing, but the pre-requisite examination must have been passed from a recognized institution / University.
- Minimum eligibility for admission is 2nd Division with at least 45% marks unless otherwise stated. Grace and Condonation marks shall not be considered. Department/Programs details are laid down in Table I & II.

System of Studies
The University follows the semester system. One academic year consists of two semesters (details available in the Academic Calendar shown at the end of this brochure).

Students admitted in the University have to be conversant with the University rules and must abide by them.
Rules governing attendance and promotion are of special importance. Under these rules:

1. Minimum attendance requirement to appear in the examination of any subject/course is 75%. For details please see 'Semester Examination Rules', booklet, available at the University Book Shop.

2. A student will not be promoted to the next higher class unless he/she has cleared at least 80% of the courses. This rule is being strictly followed as per decision of the University's Academic Council.

Instructions for Foreign Students

Foreign students are admitted to this University on nomination from the Ministry of Foreign Affairs and Ministry of Education, Government of Pakistan, subject to eligibility. Foreign students shall pay the prescribed fee shown in Table-III.

Admission Policy 2014-15

Admissions in University of Karachi are given according to merit. However, certain seats are reserved for dependents/self of university teachers and employees, disabled persons and army personnels. For reserved seats also, merit is the only criterion.

Five percent (5%) seats have been reserved for applicants who have done their graduation from other degree awarding institutes situated in Karachi and recognized by the University.

Note:

Subject to eligibility, admissions on reserved seats for armed forces are granted through nominations from the General Headquarters.

Admissions on Merit Seats

Since the number of applicants is usually much higher than the number of available seats, under the University rules, the applicants are divided into three categories i.e. K, S, and P.

1. Category “K” refers to those applicants who have passed their Secondary School Certificate (SSC), Higher Secondary Certificate (HSC) or equivalent, and graduation degree from educational institutions situated in Karachi and also recognized or affiliated by the University of Karachi.

   Five percent (5%) seats have been reserved for applicants who have completed their graduation from other degree awarding institutions situated in Karachi and recognized by the University of Karachi.

2. Category “S” refers to those applicants who have passed at least one of the certificates (SSC or HSC) or degree examinations from a recognized educational institution in the Province of Sindh (excluding Karachi).
3. **Category “P”** refers to those applicants who have passed at least one of the certificates (SSC or HSC) or degree examinations from a recognized educational institution outside the Province of Sindh or Pakistan.

Preference in admissions is given to “K” category candidates. In case seats are left vacant, “S” category candidates are considered. If seats are still available then consideration is given to “P” category candidates.

**Admission in the University are given strictly as per above mentioned criteria of categories**

### Change of Category

Candidates who fulfill the following conditions can apply for change of category from “S” or “P” to “K”.

1. Those students whose father or mother is domiciled in Karachi, but who have passed the pre-requisite examination, from abroad, conducted by any registered International Institution or any Pakistani Board or University, will have to produce their father's or mother's domicile certificate and copy of CNIC showing their permanent address in Karachi.

2. Students whose parents are employees of the Federal or Sindh Government, Autonomous or Semi-autonomous bodies, Government Corporations, or Armed Forces and have been posted in or transferred to Karachi during last 5 years (for Masters/Diploma programs) will have to produce the appointment letter or transfer letter of their father/mother together with their application. Such candidates must have completed their further education, after the date of transfer or posting of their father / mother from educational institutes located in Karachi.

3. 3% seats in each department will be allocated for those candidates who have passed their pre-requisite examination from a recognized educational institution located outside Karachi but they have their initial education including Matric and Intermediate from Karachi. Such candidates should have Karachi P.R.C. and their parents should have Domicile and CNIC showing their permanent address in Karachi. Candidates below the age of 18 years are required to submit photocopy of their ‘B’-Form.

4. A candidate who comes under 'S' or 'P' category but she/he is married to a permanent resident of Karachi should submit a copy of the ‘Nikah-Nama’ along with Domicile and CNIC of her/his spouse showing his/her permanent address in Karachi.
Application for change of category
All such applicants who fulfill any of the criteria for change of category to 'K' described above, should attach with their forms an application on plain paper for change of category together with the required document mentioned above. At the time of admission they will have to produce the original and photo-copies of all the documents.

Admissions on Reserved Seats
Some seats have been reserved for dependants/self of Karachi University Employees, Army personnel and Disabled persons. Candidates for admission to these seats should ensure that they meet the criterion of eligibility for the University as well as the concerned department. The candidates shall mention the type of reserved seats on top of their form they are applying for and must be attached the supporting documents.

Admissions on Donor Seats
University of Karachi offers admissions on donor seats as well. Faculty-wise amount (per seat) for donors is as follows for Masters & Diploma programs;
1. Faculty of Management and Administrative Science Rs. 2,00,000/-
2. Faculty of Arts, Education Science, Engineering and Islamic Studies Rs. 2,00,000/-

Eligibility for Admission
1. The admission to Diploma / Masters Degree in the Evening Program shall be granted on the basis of academic record at the graduation level unless otherwise stated. Tables I & II show the details for eligibility criteria for all courses of studies.

2. A candidate must have passed the pre-requisite examination from a recognized Board/University at graduate/postgraduate level. Grace/Condonation marks shall not be counted. The minimum requirement for MBA(Banking) is 50% marks in graduation examination. However, admission to MBA(Banking) will be given after aptitude test and candidates with at least 50% score in the aptitude test will be considered for admission according to the following formula:
   Graduation Marks = 50% weightage
   Score in Aptitude Test = 50% weightage

3. A student placed in 3rd division or obtaining less than 45% marks in the pre-requisite (Graduation) examination cannot be admitted to the University.

4. For admission to any department in the Evening Program, the University rules for morning program are uniformly applicable. However, the condition of having passed the pre-requisite examination during the last five years has been relaxed for the Evening Program.

5. A candidate already having a Masters or equivalent degree is not eligible for regular admission to the Evening Program for a second Masters degree or Diploma programs. If any such case comes to notice, the student's admission will be cancelled, and legal
action can be initiated against him/her. However, students who have done their masters in English Literature can apply for admission to M.A. English Linguistics. Similarly, students who have completed M.A English Linguistics can do second masters in English Literature (one year). These candidates will have to comply with the general rules for admission.

6. A candidate engaged in a gainful employment during the day is eligible for admission as a regular student of the Evening Program.

7. Candidates who have passed the pre-requisite examination from private institutes not affiliated with the University of Karachi should get the equivalence of their degree determined by the University's equivalence committee well before 3 days of the announcement of the list of successful candidates. In case of failure to do so, they will not considered for admission. If they submit the equivalence certificate after the announcement of list, their claim shall be subject to availability of seats and merit.

**Procedure of Admission**

1. The date of opening of admissions, availability of forms, submission of forms and other details are announced through advertisements in the leading newspapers.

2. A candidate can apply for admission in **four programs** of his/her choice. The candidate is advised to write programs in **order of his/her preference** in the space provided in the application form. Admission in the program shall be awarded on the basis of eligibility, merit and the number of seats available in the program mentioned in (Table I & II).

3. Paste two photographs (1” x 1.5”’) on Admission Form and attach the following documents at the time of submission.
   a) original completed admission form along with a powder photocopy of filled in form.
   b) Two photocopies of Marks certificates of 1st and 2nd year or a composite Marks certificate of the pre-requisite(Graduation) examinations. (showing marks for both years)
   c) One photocopy of Marks Sheet / Certificate of intermediate examination.
   d) One photocopy of Matriculation marks sheet / Certificate.
   e) One photocopy of CNIC
   f) Application and required documents for change of category. (If required)

4. There is no need of attestation of documents at the time of submission of the form. Receipt/Admit Card, duly signed and stamped shall be handed over to the prospective candidate at the counter where the admission form will be submitted.

5. Students are not allowed to submit more than one admission form for departments shown in **Table I & II**, nor can they make any changes in the form after it is submitted. If a candidate is found having submitted more than one form, all of his/her forms shall be cancelled.
6. Candidates submitting forms for reserved seats should mention “RESERVED SEATS” on top of the Admission form and must be attached the supporting documents.

7. It is the responsibility of the candidate to submit form with complete required documents. Incomplete forms will not be processed and, after the announcement of admission list, a valid claim will be considered only if seats are vacant. In such cases, candidate cannot claim on the basis of closing percentage announced by the University.

8. A merit list will be prepared for every department after verification of the eligibility and mark sheets of the applicants, on the basis of criteria set down for that department/program.

9. **Instructions for candidates whose names appear in the Admission Merit List:**
   i) A list of successful candidates for the admissions shall be displayed on the notice board of the Directorate of Evening Program, the Silver Jubilee Gate of University of Karachi and Karachi University website: www.uok.edu.pk.

   ii) The successful candidates shall contact the concerned Department to complete further admission formalities and must produce the Original Admission Receipt.

   iii) **The formalities for admission must be completed within the stipulated time. Otherwise, the admission shall stand lapsed and no claim will be entertained.**

   iv) The successful candidates shall be required to pay the prescribed (Admission+Tuition) fee given in Table-III.

   v) Following documents must be submitted at the time of admission to complete the enrolment requirements:
      a. Original marks certificate of the pre-requisite (Graduation) examination passed (not to be returned) and two attested photostat copies.
      c. Photocopy of Matric Certificate.
      d. Migration certificate (for candidates who have passed the pre-requisite examination from any Board or University other than Karachi).
      e. Attested Photostat copy of the Computerized National Identity Card or in case the candidate is below 18 years of age, his/her father's or mother's Identity Card along with the attested photocopy of Form "B". (The original shall be returned after verification).
      f. 10 recent 1”x 1.5” size photographs.
      g. Any other document as may be required by the University.

   vi) After completion of the above formalities, the candidate will have to fill in an enrolment form. Under the University rules, his/her admission will not be deemed complete until he/she receives his/her enrolment card.
10. If a candidate somehow manages to secure admission on the basis of false information and/or fake documents, his/her admission shall automatically stand cancelled and suitable punitive action will be taken according to the University rules, which may extend up to debarring him/her from admission at any educational institution for three years.

11. All candidates seeking admission will have to, besides the directions given in this booklet, abide also by the rules laid down in the University Code. Likewise, semester rules are applicable to all the students.

12. For further details regarding the course of studies, the concerned department may be contacted during 3:30 p.m. to 7:30 p.m. on all working days.

Note:

1. Merit List of any program will be announced subject to the number of eligible candidates is 25 or above.

2. In order to start teaching, the minimum number of students enrolled in a Masters/Diploma program is 25. If students in the minimum required number do not register by paying the fee, the program shall be cancelled and fee shall be refunded.

3. Classes will commence from August 20, 2014.

4. The Chairpersons/In-charge of the program shall decide the teaching and lab timings between 03:30 p.m. to 08.30 p.m. Theory classes are normally held between 5:00 p.m. to 8:30 p.m. These timings enable the in-service students to complete the attendance requirements.

5. If any candidate feels that his / her name has been inadvertently left even though he/she has secured merit marks and satisfies the other conditions of eligibility should obtain a Claim Form from the office of the Director Evening program on payment of Rs. 500/- (Rupees Five Hundred only) and submit on the date to be announced along with the List of Successful Candidates. If the claim is found to be correct, the admission will be granted to the candidate according to rules and regulations and the cost of the claim form will be refunded.

For further details, applicants are advised to contact the Directorate of Evening Program between 9:30 a.m. to 7:30 p.m. on all working days.

Department of Economics

Introduction
The department of Economics is one of the largest departments in the Faculty of Arts. It was established in 1950-51 with the enactment of the University of Karachi Act, at the old campus in the city, and was later shifted to its present location in 1960. Professor Newman Joseph Adams, an American national, was appointed as the first Chairman of the department. Due to its academic stance the department of Economics has the distinction of being recognized as a premier department in the country. Many of its graduates, have secured key positions at various national as well as international organizations. It is because of these standards that the department was accorded with the honor of establishing a center of national capability in Economics by the name of "Applied Economics Research Center" through a grant from the Sindh Government.

Facilities
The seminar library has a good collection of books and periodicals related to Economics, Finance and Transport. In order to fill the gaps, an inter-library loan facility is also available with other major libraries in the city, including the Dr. Mahmood Husain Library and the research library of the AERC the University of Karachi. The department has two well-equipped computer labs.

Specific Research Areas
The research interest of the teaching faculty includes: international / global economics; monetary economics; Islamic economics; innovation & productivity; economics growth; development economics; banking & finance; human resource management etc.

Career Opportunities
Graduation from Economics Department provides an opportunity of fresh graduates to secure respectable positions in various national and international institutions. They include State Bank of Pakistan; Planning Commission; Ministry of Finance & Economics Affairs; national and private banks; research institutions and finance & brokerage companies; teaching positions in universities and colleges; and mid-career level managerial position in national and multinational companies.

Department of Psychology

Introduction
The department of Psychology came into existence in 1954 under the Chairmanship of Professor Dr. Qazi Aslam. It gradually attracted both students and teachers with the result that teaching and research psychologists like Dr. Haseen Uddin Zuberi, Dr. S. M. Hafeez Zaid, Dr. Farrukh Z. Ahmed, Dr. Afzal Imam and Dr. M. Wasim lead the department to its present academic heights. It has now become one of the leading departments in the Faculty of Arts.

Since 1956, the teaching and practice of Clinical psychology has enjoyed popularity both amongst teachers and students of the department. Prof. Dr. Farrukh Z. Ahmad, the then chairperson, took active steps to establish a separate institute of clinical Psychology.

Teachers of the department are also members of the Sindh Psychological Association and the Pakistan Psychological Association. They further act as subject specialists in the Provincial and Federal Public service commission for the appointment of teachers in colleges. Seminars, lectures, mental health camps, conferences and professional development courses, etc. are arranged for the students so that they remain updated with current activities and will be able to grow intellectually.

Facilities
The department's library has a collection of over 800 books. This large collection includes latest Books, publications and encyclopedias. The department is fully equipped with audio-visual aids for meeting the instructional needs.

Specific Research Areas
The Faculty members are actively involved in pursuing important areas in research. Some research topics include: child development relationship, gender issues, community psychology, therapeutic techniques and diagnosis, organizational behavior, consumer behavior, social and psychological issues.

Career Opportunities
After doing Masters in Psychology (Clinical/Industrial/Educational /Investigative Psychology), the students can pursue careers in any of the following fields:
- Organization
- NGOs
- Clinical Setup
- Educational Institutes
- Law Enforcement Agencies
- The Armed Forces etc.

Centre of Excellence for

Women’s Studies

Introduction
Since the last 24 years the Centre of Excellence for Women’s Studies (CEWS) has been offering teaching and research facilities in a friendly environment to prepare students to act as agents of change. We are the first to offer M.A. and M. Phil/Ph.D. degree programs in Pakistan along with BS 4-year and B.A. (Hons.) 3-year degree program in Women’s Studies. We have an Evening Program for M.A. in Women’s Studies. Women’s Studies, an interdisciplinary subject, aims to make visible women’s role and contribution towards building a gender-bias free society for a holistic development of the nation. We offer a variety of courses to address the issues of women and gender, both nationally and internationally. The major focus of our teaching and research is to bridge the gap between the academia and women at the grass-root level. Thus, our students move beyond the Campus and interact with women to document their everyday lived experiences.

Career Opportunities
As Women’s Studies prepares students to act as agents of social change, therefore, our students are well equipped and trained to take up jobs that a person qualified in any other discipline can undertake. Majority of CEWS graduates are now hired in various positions by government and non-government agencies. As one of the requirement of our teaching is practicum, our students work as interns with various GOs/NGOs and thus gain practical training and gain experience. To help our students in their future careers, we remain engage with the corporate sector.

Facilities
CEWS has well-qualified faculty to help and assist students in their quest for knowledge. We also invite scholars, academics and activists from various fields to share their scholarship and experiences with our students.

Our library with its holding of more than 4000 books, journals, reports on women and gender is the only library of its kind in the country. We have a collection of press-clippings on almost all aspects of women’s lives. Our library is accessed not only by our students but it also caters to the academic search needs of scholars, activists and journalist who wish to avail this facility. Soon, our library would be accessible through our electronic portal.

Specific Research Areas
- Women & Work: Child Labour, Girl Child, Self-Employed Women
- Women Technology & Entrepreneurship
- Women, Religion & Religious Traditions
- Health Concerns of Women & Gender
- Women's History women & Law
- Women & Politics
- Women & Media
- Women Sports & Physical Education
- Psychology of Women
- Development Planning (nationally & globally) and Women

Department of Education

Introduction
Department of Education was established in 1984. The main goal of the department is to prepare human capital in the field of education as teachers, educators, educational leaders and researchers. Innovative methods of teaching and learning, emerging techniques of research and material development in the field of education have made this department parallel with that of the international standards.

Facilities
The department of Education has a seminar library containing latest books on almost all the disciplines of Education. Moreover, the library also contains extensive resource material for research at all levels of higher education. The department also offers hands on training on the latest equipments used in presenting research findings to the large audience.

Career Opportunities
Education is an important discipline in Social Sciences and Humanities. Therefore, graduated students of Education have ample opportunities in the competitive job market. Research Industry, Media, Career Counseling, Schools, Teacher Training Institutes, Human Resource Development Centres, Professional institutes, UNICEF, UNESCO and NGO based organizations are the possible fields for the graduates of Education.

Introduction
The vision of the Department of Special Education is that of an inclusive society in which all individuals are afforded equal access and opportunities that improve the quality of life. The mission of the Department is to create such a society through innovative and collaborative personnel preparation, research and scholarly activity, and advocacy. The goal of the Department of Special Education is to provide university students with information and skills in working with persons with disabilities. The Department of Special Education provides Baccalaureate and Post Baccalaureate degrees in Special Education that prepares educators to become eligible for working in Special Education. Our faculty and staff are committed to preparing educators who desire to help children reach their potential. Prepare to make a difference.

Facilities
The Department has lecturer and seminar rooms, audio visual room, as well as seminar library with most recent books. The department has equipment which provides practical work facilities to students as well as exposure of practical teaching at special schools.

Specific Research Areas
- Disabilities and Psychology
- High & low incidence disability
- Professional services (Occupational Therapy, Physiotherapy, Speech Therapy).
- Teaching strategy (Curriculum Planning, Assessment and Management).
- Early Intervention
- Behavior Management
- Rehabilitation and Community
- Inclusive Education
- Teachers’ Development
- Guidance & Counseling
- Vocational Education
- Educational programming
- Issues in Special Education
- Audiology
- Management and Leadership

Career Opportunities
A career in Special Education is very rewarding. Careers for graduates from the Special Education department include teachers within general or special education settings, early intervention educators, adult service/workforce providers, for positions in clinical settings and careers with organization serving individuals with disabilities. Those in the Ph. D program often enter faculty positions in higher education. Programs are designed for students who desire to enter educational and human services professions.

Faculty Members
Professors
- Dr. Shagufta Shahzadi (Dean)
- Dr. Nasir Sulman (Chairman)

Assistant Professors
- Dr. Hemera Aziz
- Dr. Afshan Rahat

Lecturers
- Ms. Sahar Yasmeen
- Ms. Saira Saleem
- Ms. Saba Suleman

Programs Available
- B-Ed. in Special Education
- Diploma in Audiology and Speech Pathology(PGD)
- Diploma in Inclusive Education (PGD)
- Diploma in Special Education(PGD)

Department of Teacher Education

Introduction
The department of Teacher Education is a newly established program at the University of Karachi. The department offers B.Ed. 4 year program for the first time bringing a change in the scenario of Teacher Education in the country. The department aims at providing high quality teachers in line with National Professional Standards for Teachers in Pakistan for developing teachers for 21st century as reflective professionals.

Facilities
The program is being run under the supervision of Dean, Faculty of Education, University of Karachi. The program has a seminar library with all recent reading materials and teacher aids. Further to it, the students enrolled in the program can take benefit from all centralized student support services available at the University of Karachi.

Career Opportunities
Teaching is one of the largest professions with ample opportunities for Continuous Professional Development. B.Ed. (Hons.) is pre-service degree for prospective teachers. The graduates of this program can serve at beginner, mid-career and senior professional career ladder such as Elementary and Secondary School Teachers, Academic Coordinators, Educational Evaluators, Educational Managers, Curriculum Developers, Educational Researchers, Teacher Educators and Master Trainers, both at Government and NGO levels.

Specific Research Areas
• Child Development
• General Methods of Teaching
• Classroom Management
• Classroom Assessment, Test Development & Evaluation
• School, community and Teacher
• Foundations of Education
• Educational Psychology
• Guidance and Counseling
• Research Methods in Education
• School Management
• Curriculum Development
• Trends and contemporary issues in Education
• Comparative Education

Programs Available
• B.Ed. (2 year program after ADE)

Department of
Islamic Learning

Introduction
Department of Islamic Learning is one of the oldest departments of the University of Karachi and was founded in 1954 to fulfill the need of scholars of Islamic studies in various institutions of Islamic Republic of Pakistan. The department aims to promote the study of Islamic thoughts and offers an opportunity to study Islam on Graduate and Post-Graduate level. The M. Phil. and Ph.D. program in the department of Islamic learning covers the general areas of Islamic Studies with special focus on the modern and contemporary issues. The area of Islamic thought, Islamic Economics, Comparative Religion, Islamic Sociology and Muslim Political thought are also be pursued in the Ph.D. Program.

The department is situated in a beautiful building of Islamic Studies near Masjid-i-Ibrahim. In this department students are learning Islamic sciences like Tafseer, Hadith, Seerah, History, Islamic Jurisprudence, Principles of Islamic Jurisprudence, Mysticism, Ethics, Philosophy and Arabic. The department is producing scholars for educational, religious and social institutions for the country and abroad.

Facilities
The Seminar Library provides a valuable resource of bibliographical and reference works, news sources, and current periodicals on Islam. The Faculty of Islamic Studies has also a computer lab for teaching and research activities.

Specific Research Areas
The faculty members of the department of Islamic Studies are engaged in research projects funded by the university as well as on individual capacity. Their research articles are published in the journal of the faculty and in the reputed journals of Islamic Studies in Pakistan and abroad. The faculty members of the department also participate in the debate, discussions and talk-shows of different television channels and provide their views on different national and international issues of Islam and Muslim Ummah.

Career Opportunities
Students passing out from this department provide their services to educational institutions, research institutes, religious institutions and armed forces.

Faculty Members
Professors
• Dr. Jalaluddin A. Noori
• Dr. Hafiz M. Shakil Aujj (Dean)

Assistant Professors
• Dr. Obaid Ahmed Khan (In charge)
• Dr. Zahid Ali Zahidi
• Dr. Nasiruddin
• Dr. M. Arif Khan Saqi

Lecturer
• Ms. Asma Begum

Programs Available
• Masters in Islamic Learning

Department of

Quran-o-Sunnah

Introduction
The Department was established in 2000. Master's Degree Program is available in this department. All the Students who have passed B.A. or Shahadat-ul-Aliya from Wafaqul Madaris and other Madaris are eligible for admission. Those candidates who have done only Shahadat-ul-Aliya are required to submit complete equivalence certificate issued by the University of Karachi.

Specific Research Areas
The research activities in the department are remarkable such as:
• To write thesis on M.A. level is a part of research activities.
• At least 50 Ph.D. degree holders have been produced since the establishment of this department in 2000.
• More than a hundred students have been enrolled in M.Phil. /Ph.D.

Career Opportunities
After passing M.A. there is vast scope in Schools, Colleges, Universities, Madarsas as teachers, as well as in other National and Multinational institutions as Sarri’ah experts.

Faculty Members
Assistant Professors
• Dr. Shahnaz Ghazi (In charge)
• Dr. Zeenat Haroon
• Dr. Mufti Imran Ul-Haq Kalyanvi

Programs Available
• Masters in Qur’an and Sunnah

Department of Commerce

Introduction
The department of Commerce has been imparting quality research oriented business education since 1974. In order to keep pace with the dynamic world of business and business education, the department of Commerce has brought a change in its curriculum which is in compliance with the courses which are demanded in the business world. The students are capable of acquiring good jobs both at national and international level.

The department has been instrumental in providing candidates with thorough knowledge and understanding of the principles of commerce and business.

Career Opportunities
The mission of the department of Commerce is to equip students with analytical tools required for business management in the contemporary competitive world and to provide students with opportunities to explore new business vistas.

Faculty Members
Associate Professor
• Dr. Tahir Ali (Chairman)

Assistant Professors
• Ms. Zaeema Asrar Mohiuddin
• Mr. Hasan Raza
• Ms. Sadaf Mustafa
• Mr. Muhammad Arfeen Siddiqui

Lecturers
• Ms. Aysha Fareed
• Mr. Muhammad Farukh Aslam

Programs Available
• M.Com. (General)
• M.Com. (Insurance)

Karachi University

Business School

Introduction
Karachi University Business School (KUBS) was established during 1999-2000 because Institute of Business Administration (IBA), then a constituent of University of Karachi, was declared autonomous degree awarding institution. KUBS within short period of time has become well established institution with good reputation and high image in the business world. KUBS is presently offers a number of programs, namely BBA (4-year Program), MBA (Morning) 3½ years, MBA (Morning) ½ years after completion of 4-year BBA program (Morning & Evening) and MBA (Evening) 5-year programs, MBA (Banking) 2-year Program (Morning & Evening) is also run jointly with the Institute of Bankers Pakistan (IBP), MBA Executive 2½ years Program and M. Phil. Program. KUBS has plans to start short-term certificate programs in the field of financial management, marketing communication, brand management, services marketing and MIS. The mission of KUBS is to educate the leaders who make a difference in this time of extraordinary change throughout the world. We, at KUBS, are committed to impart general management education focusing on building a deep understanding of business, teaching with skill and passion. We follow a field-based education with emphasis on problem-focused research and the case method of instruction. Also we intend to imbibe a spirit of entrepreneurship and creativity among our students and prepare them for a global community that is increasingly reliant on technology.

We would like to congratulate our management, faculty, staff and students on winning the Asia's Best Business School Award under the category of "Innovation Leadership Award". The 2nd Asia's Best B-School Awards ceremony was held on July 22, 2011 in Singapore, where the award was presented to Dr. Abdul Rehman Zaki, Chairman Karachi University Business School (KUBS). KUBS was awarded for its tremendous contribution to the field of Business Management in the form of its high achieving graduates who are working in various reputable organizations across the globe. Asia's Best B-School Awards is an initiative of CMO Asia Advisory Board and Advisory Council of the World Brand Congress. Business schools from 25 countries were nominated and awarded under various categories.

Facilities
Karachi University Business School (KUBS) is located in a serene corner of the University. It occupies space on the first and second floors of Commerce Building. The KUBS offers a well-equipped learning environment. A large number of books can be subscribed by the departmental library. Students can also consult Dr. Mahmood Hussain Library comfortable and quiet workspace with good number of books on business and professional journals. Business Periodicals both local and international are available at Dr. Mahmood Hussain Library of Karachi University. KUBS also has a computer lab, which is equipped with open-access PCs with word processing, presentation, database and other software. Upgrading of lab and installation of new PCs is still in progress.

Career Opportunities
Tremendous opportunities exist in the field of Banking, Finance, and Marketing in national and multinational organizations. Our graduates are in great demand and highly paid jobs are offered to them.

Specific Research Areas
With the starting of M. Phil / Ph.D. programs we expect to extend research programs in future.

Faculty Members

Department of Public Administration

Introduction
The department of Public Administration prepares exceptional students for leadership positions in government, business and civil society. With its academic programs emphasizing academic excellence and practical orientation, the department has quickly occupied a unique position in the University of Karachi after being established formally as a department in the year 1995. The objective of DPA is to approach the issues relating to the stewardship of common goods with an interdisciplinary approach, at tries to work at the intersection of economics, business, law, political and social sciences.

Career Opportunities
The department of Public Administration aims to cater to the need of the times, and to impart such skills to its graduate which can be called upon under ever-changing circumstances. Having received training in leadership skills, sociopolitical analysis and management, the graduates of our department are serving at leading positions within the public and corporate sector, academia, research institutions and media.

Specific Research Areas
The department of Public Administration conducts analytically rigorous and theoretically informed research within the following fields:
- Governance and Globalization
- Public Policy and Policy Analysis
- Local Government Financial Management
- Marketing Management
- Human Resource Management

Facilities
The newly constructed state-of-the-art building houses not only multiple lecture rooms and the faculty offices (while offering significant flexible space for staff and students) but also has: Conference Hall and Common Rooms Well-equipped Computer Lab Seminar Library housing relevant books, journals and academic literature Research Lab.

Faculty Members
Professors
- Dr. Akhtar Baloch (Chairman)
- Dr. Khalid M. Iraqi (Dean)

Assistant Professors
- Dr. S. Shabibul Hasan
- Ms. Afseehin Nizam
- Mr. Syed Shahid Zaheer Zaidi
- Ms. Saima Akhter
- Dr. Ghazal Khawaja

Lecturers
- Mr. Mustafa Hyder
- Ms. Tehmina Faisal

Programs Available
Masters Programs
- Public Administration (MPA)
- Human Resource Management (MHRM)
- Administrative Science (MAS)

Postgraduate Diplomas (Leading to Masters Program)
- Public Administration (PGDPA)
- Human Resource Management (PGHRM)
- Public Administration and Public Policy Analysis (PGDPA & PPA)

Department of
Pharmaceutics

Introduction
The department covers 24 courses spread over five years of Pharm-D. program. The department is actively involved in pharmaceutical research that covers all aspects of pharmaceutical sciences offering M.Pharm and Ph.D. programs. Till date, the department has produced 69 M. Phil. and 11 Ph.D. scholars in different disciplines of pharmaceutics.

The department of Pharmaceutics has its history as old as the history of the faculty of pharmacy itself. The Faculty of Pharmacy was first founded in 1964 as a department under the faculty of science in University of Karachi by the now known as Father of Pharmacy Professor Dr. S.M.S. Zoha. In the year 1973, in which the status of the department was approved as a faculty with four distinctive departments one of which was the department of pharmaceutics.

Facilities
• Laboratories
• Research Laboratories
• Computer Laboratory
• Seminar Library

Specific Research Areas
• Formulation Development
• Formulation optimization and improvisation
• Pharmaceutical Microbiology
• Novel drug delivery system
• Bio-Pharmaceutics
• Bioavailability
• Physical Pharmacy
• Clinical Pharmacy and Pharmacy Practice

Career Opportunities
The scope of pharmacy all over the world is very promising in which the graduate in pharmacy find himself in a very prestigious and professional status to serve the society in different disciplines of the field as a health care professional. After obtaining graduation degree from the faculty of pharmacy the students have the opportunity to join hospitals where they would be drug experts taking right decisions about the safe use of medicine, in community as one of the beneficial members of the society, in pharmaceutical industries that has the largest proportion of openings in different departments of the industry. Similarly, he could also join governmental jobs where he regulates the drug portfolio and establishes policies regarding the drug usage and regulatory matters, in pharmaceutical journalism, in academia where he would be in a highly prestigious assignment to train and produce more pharmacists. A pharmacist would also find good opportunities in research and development where one can satisfy his eager to participate in pharmaceutical research as a scientist. And that is not all; there are too many job opportunities and career enhancing chances for pharmacist abroad.

Faculty Members
Professors
• Dr. Fouzia Hassan
• Dr. Nighat Razvi (Chairperson)

Associate Professor
• Dr. Muhammad Harris Shoaib

Assistant Professors
• Ms. Shaista Hamid
• Dr. Shahnaz Gauhar
• Dr. S. M. Farid Hassan
• Dr. Rabia Ismail Yousuf
• Mrs. Sabahat Jabeen
• Mr. Iyad Naeem Muhammad
• Mrs. Rehana Saeed

Programs Available
• M. Pharm

Department of Pharmacology

Introduction
The department of Pharmacology has been one of the important departments in the Faculty of Pharmacy since 1973, not only sharing a major load at the undergraduate level but also preparing students to fill the gap by suitably qualified manpower in the field of Pharmacy at postgraduate levels. The current expansion of the department and graduate programs in the areas of modern pharmacology including Neuropharmacology, Toxicology, and Biochemical Pharmacology will be expected to place the department among high research ranking departments in the University of Karachi.

The major academic objectives of the department are to facilitate Basic and Applied Research, educate under-graduate, and professional students in various disciplines and provide academic excellence. Department of Pharmacology has so far produced the highest number of Ph.D.s in the faculty of Pharmacy and a large number of M. Phil and M. Pharm. The department is proud of having highly competent primary faculty, research faculty and technical support staff.

Facilities
- The department of Pharmacology laboratories are well equipped to conduct the experimental courses of Pharmacology, Physiology, Biochemistry and Pathology.
- Separate Research labs are assigned for Research students which have all the basic and enhanced equipment and instruments required for research work.
- Computer and internet facilities have been provided, so students can have easy access to latest information and data.
- Pharmacy library has also been equipped with latest books and research journals of pharmacology.

Specific Research Areas
- Neuropharmacology
- Toxicology
- Biochemical Pharmacology
- Cardiac vascular pharmacology
- Psychopharmacology

Career Opportunities
After completion of M. Phil./Ph.D. in the field of Pharmacology successful, candidates will be able to perform duties in the following areas:
- Research
- Education
- Hospital Pharmacy
- Clinical Pharmacy
- Pharmaceutical Industry
- Drug testing laboratories

Faculty Members
Professors
- Prof. Dr. Rafeeq Alam Khan
- Dr. Rahila Najam (Chairperson)

Assistant Professors
- Ms. Tasneem Mariam Sajid
- Dr. Syeda Afroz
- Ms. Sadia Ghousia Baig
- Dr. Afshan
- Dr. Nuzhat Sultana

Lecturers
- Ms. Azra Riaz
- Mr. Shadab Ahmed
- Ms. Saira Saeed Khan

Programs Available
- M. Pharm.

Department of Pharmacognosy

Introduction
This department was established in 1973. Since inception the department has been serving as backbone for the various branches of pharmaceutical sciences.

Pharmacognosy derives its origin from two Greek words, pharmakon (drug), and gnosis (knowledge). It is the study of natural bioactive substances obtained from terrestrial and marine plants, animals, microbes and minerals, for their physical, chemical, biochemical and biological properties, their taxonomy and ethnobiology. Pharmacognosy, one of the major areas of pharmaceutical sciences, is a highly interdisciplinary science, linked to phytochemistry, microbial chemistry, biosynthesis, biotransformation, chemotaxonomy, biotech-nology and other biological and chemical sciences. Research in Pharmacognosy provides for the discovery of lead compounds for drug development, new methods of analysis for drugs, toxins and herbal preparations. The objective of the department of Pharmacognosy is to educate students about the natural source of drugs, their pharmacognostic and phytopharmaceutical attributes, chemical and spectroscopic profile isolated molecules and their development as modern pharmaceutical products.

During the past four decades it shared with the other departments to produce more than 5000 B. Pharm and about 1500 Pharm-D. graduates. The department of Pharmacognosy always endeavored to promote higher education this resulted in 58 M. Pharm, 34 M. Phil and 33 Ph.D. graduates. The active faculty members collectively produced more than 27 books, wrote hundreds of research papers in well reputed journals at national and international levels.

Facilities
The department has one lab at undergraduate level and two graduate level labs. These are well equipped to conduct the lab work at both levels. The students can work on latest spectrophotometer, PCR, HPLC, lyophilizer, rotary evaporator, incubator oven, flash chromatography distillation assembly, two channel recorder, Plethysmometer Analgesia meters, soxhelet apparatus.

Specific Research Areas
Natural products, clinical studies, standardization of herbal products, formulations isolation of natural products, analysis of marine and terrestrial flora and fauna, ethnopharmacognosy, natural toxicants, nutraceuticals, cosmeceuticals, zoceuticals.

Career Opportunities
The graduates from the various programs offered can work in both modern and herbal pharmaceutical organizations, ministry of health, WHO, various drug regulatory bodies, research organizations, teaching institutions.

Faculty Members
Professors
- Dr. Ghazala H. Razwani (Dean)
- Dr. Syed Waseemuddin Ahmed (Chairman)
- Dr. Iqbal Azhar

Associate Professor
- Dr. Muhammad Mohtasheem ul Hasan

Assistant Professor
- Ms. Farah Mazhar

Lecturers
- Mr. Salman Ahmed
- Ms. Safia Abidi

Programs Available
- M. Pharm.

Department of Agriculture & Agribusiness Management

Introduction
The department of Agriculture launched BS-Program in Agriculture in 2004 and acquired the status of the department in 2006. It was renamed as the Department of Agriculture and Agribusiness Management in 2008. The Department offers specializations in agribusiness management, plant protection and plant pathology.

Agribusiness is an important and ever expanding industry in Pakistan. It combines the study of agricultural sciences with the management skills providing an understanding of economic and business principles and their application to Agribusiness.

The program aims to develop a range of personal and transferable skills and critical appreciation of the techniques to assist effective execution of the agribusiness management function.

It cannot be denied that the implementation of proper pest and disease management strategies can be helpful in increasing the crop yield and ultimately boost the economy of the country. The courses offered for specialization in plant pathology or plant protection enable the students to acquire in-depth knowledge of pest and diseases affecting crop, vegetable, fruit and ornamental plants in the country and make them aware of the management strategies to overcome the problem.

Career Opportunities
Specialization in Agribusiness management is helpful in getting jobs in farm business related to national and multinational organizations as managers, consultants, supply chain coordinators and accountants. It also provides an opportunity to enter self-employment immediately after graduating, largely within the farming or food sectors.

Students specializing in plant protection or plant pathology have job opportunities in various research organizations like plant protection, PARC, PCSIR, NIAB, NIA, ARI etc. They can also get jobs in plant and pesticide related national and multinational organizations.

Specific Research Areas
The department is actively engaged in research related to Entomology, Mycology, Plant Pathology and Agribusiness. Several research students are also enrolled for M. Phil. /Ph.D. programs. Faculty members and research students regularly publish research papers in journals of national and international repute.

Facilities
The department is well equipped with modern teaching aids. It also has facilities for research on topics related to fields of entomology, mycology, plant pathology and Agribusiness. The department’s seminar library has a good collection of books related to agriculture and agribusiness that students can have easy access to.

Faculty Members
Professor
• Dr. Saleem Shahzad (Chairman)

Lecturers
• Mr. Muhammad Talha Azeem
• Mr. Syed Hasan Rizvi

Programs Available
• M.Sc. in Agriculture & Agribusiness Management

Department of Applied Physics

Introduction

The department of Applied Physics was established in 1971. The objective of the department is to enable the students to face challenges of the fast growing technology in the field of Electronics and semiconductors so that they can meet the growing technological needs of the industries in Pakistan in the area of applied physics.

The syllabus is updated to keep abreast with the latest developments in technology. It provides an in-depth understanding of the subject such as analog and digital electronics, industrial electronics, semiconductor devices, communications systems including microwave and optical fiber communications. Microprocessor/Microcontroller and digital signal processors (DSP) are hubs of intelligent electronic systems including computers and almost all state-of-the-art equipment used in communications. These devices are used in industrial and medical applications. A comprehensive scheme of study and applications is provided for these subjects.

The laboratory training begins with circuits related to basic analog electronics, industrial electronics, leading to the development of a single board computer based on microcontroller. The students are also trained in programmable Logic Controllers (PLC) through the use of software and hardware simulators. Similarly, they are trained in the field of communications using communication training kits.

Career Opportunities

A variety of employment opportunities are available to the graduates of applied physics, ranging from public sector organizations to multinational and national industries and research organizations.

Facilities

The department has well-equipped laboratories to teach practical aspect of electronics. In addition to general purpose laboratories where students perform experiments on circuits based on analog and digital electronics, separate laboratories are established for training. These include computer laboratory which is equipped with latest branded computers connected through LAN. Communication laboratory helps train students in microwave and optical fiber communication systems. Students use software and hardware tools such as VHDL, electronic design automation to develop embedded systems. Computer-controlled (CNC), PCB prototyping machine, logic analyzer, spectrometer, and lock-in amplifiers, are available for research in the field of semiconductor.

Faculty Members
Assistant Professors
- Ms. Farida Farrukh (In charge)
- Mr. Abid Hussain
- Mr. Arshad Hussain
- Dr. Zeeshan Alam Nayyar
- Mr. Zia-ur-Rehman

Lecturers
- Mr. Faisal Rafique
- Mr. S. Mamnoon Akhter
- Mr. S. Naseer Akhter
- Ms. Nazia Sadiq
- Ms. Ambreen Insaf

Programs Available
- M.Sc. in Applied Physics with specialization in Electronics.

Department of Botany

Introduction
The Department of Botany was established in 1953. The University at that time was located on Chand Bibi Road, near Civil Hospital Karachi. When the University moved to its present premises on 18th January 1960, the Department of Botany was initially located in two barracks. The present building of the Department of Botany with laboratories, lecture rooms and an auditorium was built in the late 1960s. The Department offers over 70 different courses of studies at the undergraduate and post graduate levels to cater to the human resource requirements for teaching and research in the fields of education, agriculture, environmental NGO's, pharmaceutical and other industries. In the first and second year the students begin by taking Botany as a major subject together with two subsidiary subjects in other departments of the University. Starting with the diversity of plant life, an outline of the classification of plants, their identification, structure and function, it continues with genetic basis of variation and evolution of plants. In the 3rd and 4th years, instead of subsidiary subjects, they are required to study major subjects within the field of Botany. In M.Sc. Final, the students specialize in one of the branches of Botany, which include: Applied Botany, Mycology & Plant Pathology, Plant Physiology, Plant Ecology, Mycology & Marine Botany and Plant Taxonomy.

Career Opportunities
Specialization in different branches of plant sciences offered by the Department is helpful in getting jobs in agriculture based organizations, teaching in various colleges and universities and in environmental NGOs like WWF and IUCN.

Facilities
The Department has well-equipped laboratories and a vast collection of books and research papers in the seminar library. It also provides facilities to students for research on topics related to different fields in plants sciences and mycology (including plant pathology). The Karachi University Herbarium in the Department of Botany has a vast collection of more than 150,000 plant specimens collected from different regions of Pakistan, in addition to a large collection of specimens of algae and fungi.

Specific Research Areas
The Department of Botany has developed a productive research and teaching group in plant sciences. Members of the faculty are working in many specialized fields of plant sciences and are endeavouring to enhance our knowledge of the plant world. Following are the specific research areas:
2. Plant Anatomy and plant Tissue Culture
3. Phycology and Marine Botany
4. Mycology, plant pathology and Fungal Biotechnology
5. Plant Physiology
6. Plant Ecology and Environmental pollution

Members of the teaching staff have completed about 50 research projects with the support of national and international funding agencies. Currently several research projects are in progress. More than 2500 research papers have been published in journals of international repute by the teachers and researchers of the Department. The Pakistan Journal of Botany and International Journal of Biology and Biotechnology are also published from the Department of Botany, University of Karachi.

Department of Chemistry

Introduction
Chemistry is a novel discipline of science. It helps understand the origin of life and also suggests ways to use non-living things for improving the quality of life. In order to train the young generation and to enable them to make this task easier, it is necessary to make the students understand the principles underlying the composition, structure and properties of substances along with the transformation that the substances undergo. It is therefore obvious that chemical orientation cannot be imparted in isolation and that it has to be developed through an amalgamation of physics and biology on one hand, and engineering and applied sciences on the other. The department of Chemistry is actively pursuing this goal. It has a competent faculty, well-equipped laboratories and other infrastructure.

The Graduate and Master programs in Chemistry are intended to meet the growing needs of competent manpower in Pakistan and that of the international community. The department of Chemistry imparts professional and academic excellence to young people of Pakistan. It caters to different disciplines of chemistry i.e. inorganic, organic, physical and analytical chemistry at B.Sc. and M.Sc. levels.

Career Opportunities
People with M.Sc. or/and B.Sc. degrees in Chemistry have opportunities for employment, especially in the research institutions that are emerging in the country and also in different industries, both within and outside the country. These include:
- Textile industry;
- Pharmaceutical industry;
- Clinical laboratories;
- Oil refineries;
- Chemical industry;
- Paint industry;
- Cement industry;
- Beverages and food product industries;
- Analytical & instrumental services agencies;
- Polymer industry;
- Iron steel;
- Metallurgy;
- Cosmetics.

Specific Research Areas
Analytical, Inorganic, Industrial, Organic, Physical, Environmental, Pharmaceutical, Clinical and Polymer Chemistry.

Facilities
The department of Chemistry is equipped with many modern instruments for training the students to pursue challenging careers and research. These include pH/Ion meters, conductivity meters, polarimeters, refractometers, potentiometers, electrochemical analyzers, HPLC, atomic absorption spectrometers, UV-Visible spectrophotometers, FTIR Spectrometers, Guoy Balance for magnetic susceptibility measurements, flame photometers, computers, deionizers, analytical analysis, ovens furnaces, centrifuges as well as a substantial stock of glassware and chemicals. In addition, research students can derive benefit from the facilities at the H.EJ Research Institute of Chemistry. The facilities include NMR spectroscopy, mass spectrometry, CD/ORD spectroscopy and X-Ray crystallography. The Department of Chemistry is constantly trying to upgrade its laboratory and research resources so that its graduates can maintain a competitive edge in the job market. All the classrooms in the department are air-conditioned. The department has a local area network facility through which most scientific journals can be easily accessed.

Faculty Members
Professors
- Dr. Shaikh Sirajuddin Nizami
- Dr. Syed Azhar Ali (Chairman)
- Dr. Dilshad Waqar
- Dr. Majid Mumtaz
- Dr. Hajra Tahir
- Dr. Nasir Ud Din Khan

Department of
Computer Science

Introduction
The Department of Computer Science was established by a resolution of Academic Council in its meeting, held on November 27, 1984. The Department began functioning in the academic year 1985-86 by offering a two year degree program, Masters in Computer Science (MCS) and became one of the pioneering institutions imparting quality education of Computer Science and IT in Karachi.

The Department soon realized the need to strengthen the discipline of Computer Science by producing quality professional with sound fundamental knowledge. For this purpose, the Department started a four year degree undergraduate BS program in the year 1996, and a two year postgraduate program MS (Computer Science) as well as Ph.D. (Computer Science).

In 2009, the department moved to a new building with latest equipment and modern infrastructure.

Career Opportunities
Excellent career opportunities exist for the graduates of Department of Computer Science. More than 80% of graduates are immediately hired by top ranking software houses and other institutions. Top software houses are in contact with the department and conduct job tests and hire students even before their graduation. We are proud that our graduates are working in top international organizations and there are graduates who become entrepreneur and running their own software houses.

Facilities
Computing Facilities
The new building of the Department of Computer Science (UBIT) is fully equipped with latest technology for students to get hands-on experience on different platforms of both hardware and software fields of computer science. Each lab is equipped with latest high end user computing facilities. The internet facility is available round the clock in all the labs, which enables students and faculty members to keep in touch with the latest trends in academic and the corporate world. The department is continuously upgrading the computing infrastructure according to the market demands. Following labs are functioning in the department.

- Physical Laboratory
- Electronics Laboratory
- Networking Laboratory
- Software Engineering Laboratory
- AI & Soft computing Laboratory
- Database and information system Laboratory
- Graphics and Multimedia Laboratory
- General purpose Laboratory

Seminar Library
The department also provides an in-house seminar library facility which contains more than a thousand books on computer science/IT and related disciplines along with IT/CS magazines, international research journals and periodicals.

Specific Research Areas
The department has produced seven Ph.Ds during the past few years and over 10 candidates are on their way to the completion of their MS (CS) and Ph.D. (Computer Science) research work. Our research areas include: Artificial Intelligence, Soft Computing, Neural Networks, Advance Database systems (temporal and fuzzy), MIS, Computer Networks Network Security Parallel & Distributed Computing, Natural Language Processing etc.

Faculty Members
Assistant Professors
- Mr. Badar Sami (In charge)
- Dr. Syed Jamal Husain
- Dr. M. Sadiq Ali Khan
- Mr. Muhammad Saeed
- Mr. S. M. Khalid Jamal
- Mr. Farhan Ahmed Siddiqui
- Dr. Nadeem Mahmood
- Dr. Tahseen Ahmed Jilani
- Mr. Hussain Saleem
- Mr. Syed Asim Ali
- Ms. Humera Tariq

Lecturers
- Ms. Erum Shahid
- Mr. Jameel Ahmed
- Ms. Shaista Rais
- Ms. Madiha Khurram Pasha
- Ms. Humaira
- Mr. Muhammad Sajid
- Mr. M. Naveed Anwar
- Mr. Taha Bin Niaz
- Mr. Syed M. Zain Abbas
- Ms. Maryam Feroz

Programs Available
- Diploma in Computer and Information Sciences (PGDCIS)

Institute of Environmental Studies

Introduction
The subject of environment is multidisciplinary in nature. The solution of environmental and related problems therefore requires the efforts of social scientists, health care personnel, engineers, microbiologist, chemists. Biologists and agriculturists. Medical profession although very much concerned with the health of the community also but it alone can not effectively solve environmental health problems. Civil engineers although taught about the public health engineering courses but the lack the knowledge and expertise for solving the problems of environmental engineering involving the principles of biology, microbiology and chemistry etc.

The institute was established in 1982. This is the oldest and pioneering institute in the field of which is offering M.Phil. and Ph.D. degrees since then. Keeping in view the acute shortage of specialists it has started offering M.Sc. Postgraduate Diploma and Certificate courses since 1996. The institute provides excellent air-conditioned lecture hall, environmental laboratories, library and audiovisual facilities for the students. It is recognized as a technical focal point on Environmental Health Activities of WHO/EMRO and has been organized WHO sponsored Workshops related to various environmental health and pollution problems with the collaboration of the Ministry of Health.

Therefore, there is a need to evolve and develop a course at the post-graduate level, which will involve the elements and fundamental principles of medicine, engineering and science for the solution of environmental problems and issues with a practical approach for solving such problems of developing countries. In other words the proposed M.Sc., degree in Environmental Science will bridge the gap that exists between courses in Community Medicine and Public Health and Environmental Engineering.

Career Opportunities
After completing two years (4 semesters) degree Program of M.Sc. the graduates would be able to take up managerial, technical and consultative responsibilities in various industries, multinationals, civic agencies, consulting firms, public health laboratories and organizations, environmental regulatory bodies, educational and research institutions and environmental protection agencies (EPAs). The M.Sc. is the most appropriate and unique post graduate Program for the in-service professionals who have the above mentioned qualified and would like to improve and advance their professional skills. The lectures also will be directed and conducted by the adjunct international faculty especially from North America.

Facilities
The centre is equipped with advanced laboratories, updated libraries and modern equipment that helps in researching on the global issues.

Specific Research Areas
- Global Climate Change
- Climate change impacts in Pakistan
- Capable of designing and developing low cost waste water treatment and disposal systems for small and medium size communities.
- Agriculture sustainability through the use of treated waste water.
- Treatment of water for potable use
- Public health aspects of wastewater treatment, disposal and reuse.
- Wastewater reclamation technology in hot climate for agriculture and fish culture.
- Capable of developing environmental health programs for monitoring and surveillance of water supply and sanitation.
- Industrial pollution control and management.
- Environmental hygiene (food and water hygiene and safety)
- Environmental impact Assessment
- Marine Pollution and control
- Ecological studies
- Biodegradation of hazardous waste

Faculty Members
Professors
- Dr. Tariq Masood Ali Khan (Director)
- Dr. Omm-e-Hani
- Dr. Moazzam Ali Khan (Registrar UOK)

Associate Professor
- Dr. Seema Jeelani

Assistant Professors
- Dr. Zafar Iqbal Shams
- Ms. Suraiya Jabeen
- Dr. Waqar Ahmed

Lecturer
- Ms. Noor Fatima

Programs Available
- M.Sc. in Environmental Studies
- Diploma in Environmental Sciences (PGD)

Health, Physical Education & Sports Sciences

Introduction
The department of Health and Physical Education was established in 1996. Initially it introduced one year Masters program in physical education after Bachelor of Physical Education (B.P.ED).

The 2-year Masters in Health and Physical Education was introduced in 2001. The department introduced 4- year B.S/B.Sc. (Honors) Program in January 2012.

The department of Health and Physical Education provides students with knowledge and skills to enable them to achieve a degree of autonomy in developing and maintaining their physical, mental, social and emotional health. The subject matter focuses on the importance of a healthy lifestyle and physical activity in the lives of individuals and groups in society.

Career Opportunities
Our graduates can teach physical education in public and private schools, coach school-based sports and work in many other sports and recreation related careers.

A master's degree in Health and Physical Education will prepare graduates to teach physical education at a public and private high school/college/University, or become a Director/Deputy Director of Physical Education Program or become an athletic trainer or can be a fitness instructor. Furthermore, people with a physical education degree could find themselves working in city parks and recreation departments.

Facilities
The department is equipped with all the required practical facilities. A variety of sports facilities including playing fields for cricket, hockey, football and athletics, a squash court and indoor games facilities in the campus gymnasium are also available.

Every year competitive sports for both male and female students are organized at inter-departmental, inter-collegiate and inter-university levels through a variety of sports like hockey, football, cricket, badminton, athletic, etc.

The department plans to establish a fully equipped Human Performance Laboratory to incorporate the latest techniques and performance analysis methodologies.

Specific Research Areas
The Health & Physical Education has a broader scope for research in the field of Kinesiology; Exercise Physiology, Socioeconomic impact of Physical Education, Curriculum development and etc.

The basic and applied research can be done in the field of Kinesiology, Exercise Physiology and other subjects.

Due to the availability of a wide variety of topics, both qualitative & quantitative research can be done easily.

Faculty Members
Assistant Professors
• Dr. Basit Ansari (In charge)
• Mr. Mazahir Zia Shaikh

Lecturers
• Ms. Shazia Tabassum
• Mr. Humayun Imran Azeemi
• Mr. Kunwer Muhammaad Asif
• Mr. Wasif Nisar

Programs Available
• M.Sc. in Health, Physical Education & Sports Sciences

Department of Mathematical Sciences

Introduction
The department of Mathematics was established in 1956. Prof. Dr. Suleman Kerawala was the Founder Chairman. Many new courses including Applied Abstract Algebra, Biomathematics and Anthromathematics have been introduced to highlight the application of Mathematics in different fields. The mission of the department is to bring life to Mathematics and Mathematics to life. Areas of Pure Mathematics, Applied Mathematics and Interdisciplinary Mathematics are being pursued in teaching and research. At all levels, students are instructed in the rigor and precision characteristics of Mathematical Reasoning. They are facilitated to become acquainted with the elementary tools of Mathematics and the techniques to use them.

Career Opportunities
Our graduates have been employed in the Educational, Financial, Industrial and Commercial Institutes. They can opt for any of the following professions: High School Mathematics Teacher, College Mathematics Professor, Actuary, Software Designer, Biostatistician, Government Lab Researcher, Financial Analyst, Industry Analyst/Engineer, Education Materials Developer, Industry Consultant.

Facilities
The department offers peaceful environment and provides all modern facilities to students. This is the second largest Department of the Faculty of Science, with three-storey building consisting of many rooms, well-equipped auditorium, E-laboratory with free internet facility and E-Library having three thousand books. To keep the students informed and updated with the latest developments in the modern era, department organizes seminars and workshops for faculty members/students and also allow them to participate in such events both within and outside the university.

Specific Research Areas
The faculty Members and students actively participate in local, national and international Mathematical activities and conferences. The Faculty is engaged in research in the following areas:
- Algebra
- Anthromathematics
- Astro dynamics
- Fluid Dynamics
- Mathematical Physics
- Numerical Analysis
- Operational Research
- Relativity and Gravitation

The Ph.D. program facilitates young researchers in getting the experience necessary to do original research in areas of their interest. About Sixty researchers are enrolled in this program.

Faculty Members
Professors
- Dr. Rana Khalid Naeem
- Dr. Syed Arif Kamal (Chairman)
- Dr. Sarwar Jahan Abbasi
- Dr. Syed Anwar Ali Zaidi

Assistant Professors
- Mrs. Akhtar Jehan

Department of Microbiology

Introduction
The department of Microbiology was established in 1957. This was the first and only department of Microbiology, for many years in this country offering undergraduate and postgraduate degrees. Microbiology is a broad discipline with both basic and applied aspects. Therefore, microbiologists must have a good understanding about microbial taxonomy, genetics, immunology and physiology to identify these agents, explore their metabolic potential on commercial levels and to manipulate these organisms for the betterment of humanity. The study of microorganisms and their potential is also necessary for the production of bread, cheese, antibiotics, vaccines, vitamins and many other important products. Microorganisms are involved in causing serious infections in humans, animals and plants. Because of the importance of the subject and its applicability, this department is now regarded as one of the best departments within the Faculty of Science. As a result this department has become one of the popular departments and a large number of students opt to study Microbiology.

Career opportunities
People with M.Sc. in Microbiology have employment opportunities in the following organizations:
- Pathological/clinical/hospital laboratories
- Food and beverage industry and agriculture
- Pharmaceutical industry
- Biotechnology industry
- KWSB/KMC/ R & D organizations
- University/colleges teaching and research
- Epidemiological monitoring programs
- Environmental monitoring and impact assessments

Facilities
Laboratory and Lecture Rooms
The department has 10 laboratories and 3 lecture hall/rooms where theory and practical classes are held. In addition to this, there are 3 media preparation rooms.

Cold Room Facility
The Department of Microbiology is the only teaching department which possesses cold room where the research experiment at below ambient temperature can be conducted.

Computer Lab.
The lab with internet facility is available to all students.

Specific Research Areas
Research scholars are working on exceptionally diverse area of microbiology including: various fields in biochemistry, genetics, clinical microbiology, mechanisms of microbial virulence, epidemiological studies, studies on microbial enzymes of industrial importance, biotransformation, studies on bioactivities of microbial metabolites, immunological aspects of diagnosis, molecular aspects of disease diagnosis and microbial control, bacteriocins, bioactivities of natural products, molecular biology of phages, biodiversity & Environment exploration of biotechnological potential of microorganisms and many others.

Faculty Members
Professors
- Mr. Syed Muhammad Khalid
- Dr. Aqeel Ahmed (Chairman)
- Dr. Tasneem Adam Ali
- Dr. Shakeel Ahmed Khan
- Dr. Fasihuddin Ansari

Associate Professors
- Ms. Nayyar Jahan
- Dr. Talat Yasmeen Mujahid

Assistant Professors
- Ms. Nayyar Mehmood
- Dr. Tanveer Abbas
- Dr. Asma Saeed
- Dr. Abdul Wahab
- Dr. Asma Naeeem
- Dr. Adnan Khan
- Dr. Muneera Naz Baloch

Lecturers
- Ms. Anjum Zehra Naqvi
- Ms. Sadaq Jahangir
- Ms. Sadia Muhammad Saleemullah Khan
- Ms. Sana Eijaz
- Ms. Tasneem Akhter
- Ms. Amna Alam
- Ms. Wajeeha Binte Asad

Programs Available
- M. Sc. in Microbiology

Department of 
Petroleum Technology

Introduction

Petroleum Technology program of the University of Karachi was initiated in 1996 in the evening program, while in the morning program it was introduced in 2004. The program aims to meet the future technical and professional requirements in petroleum industry. It is a multi-disciplinary program of the Faculty of Science/Engineering organized in collaboration with petroleum industry.

The program aims to impart theoretical and practical knowledge in upstream and downstream activities of petroleum industry such as chemistry, geology, drilling, exploration, production, reservoir, pipeline, corrosion, natural gas, LPG, refining technologies, environmental impact, health and safety designs, petroleum logistics, marketing and management.

Presently a two year (four semesters) M. Sc. Program of 60 credit hours with 20 courses of 3 credit hours each is being offered.

Career Opportunities

Students obtaining a Master's degree in Petroleum Technology can easily get jobs in Pakistan, middle East and other countries. A Petroleum technologist is required by petroleum industry at every stage i.e. exploration and development of oil and gas fields, transportation and distillation of crude in refineries, distribution and marketing of its products.

Facilities

Internship and training programs are arranged for students in various sectors of oil and gas industries such as oil companies, refineries and services companies, i.e. Pakistan Oilfield Limited, Oil and Gas Development Corporation, National Refinery, Pakistan Refinery, Pak Arab Refinery, Bosicar Refinery, Pakistan State Oil Ltd, Shell Pakistan, EUP Pakistan, Sui Southern Gas Co Ltd, Baker Hughes, Halliburton Ltd, Marathon Construction, Mari Gas, MOL Pakistan, Nuricon, OMV Pakistan etc. This will help in preparing prospective candidates for petroleum industry.

Faculty Members

Professor

- Dr. Majeedullah Quadri (Chairman)

Lecturers

- Mr. Kashif Sadiq
- Engr. Mr. Syed Hasan Abbas Zaidi
- Mr. Syed Ghufran Alam
- Mr. Atif Zafar

Programs Available

- M.Sc. in Petroleum Technology
- Diploma in Petroleum Technology (PGD)

Department of
Physics

Introduction
The department of Physics is one of the pioneer departments of the University of Karachi. Prof. Dr. Mujtaba Karim was the founder chairman of the department. Since its inception, the department of Physics is actively engaged in imparting quality education in the field of physics and is actively engaged in research activities.

Career Opportunities
There are ample opportunities for employment both in National and International research organizations. The names of few national organizations are: Pakistan Atomic Energy commission, PIEAS, KANUPP, PCS1R, SUPARCO, Pakistan Steel Mills etc. Beside these Government organizations and institutes, our graduates also have good employment opportunities in private sector as well.

Facilities
Beside teaching laboratories, the department has a number of other laboratories for research purpose. Below is the list of some facilities:
- Spectroscopy Research Laboratory
- Solid State Research Laboratory
- Condensed Matter Research Laboratory
- Fully equipped Electronics Laboratory
- A well-equipped computer Laboratory
- A Liquid Nitrogen Plant
- Dr. Sheikh Ansar Hussain Seminar Library

Specific Research Areas
The department is engaged in a number of research areas such as:
- Spectroscopy of atoms and molecules
- Material Science
- Environmental Science
- Electronics
- Theoretical Physics
- Space Physics

Faculty Members
Professors
- Dr. M. Altaf Hussain
- Dr. Tehseen Rahim (Chairman)
- Dr. Shahid Mehmood
- Dr. Shabana Rizvi

Associate Professor
- Mr. Naseeruddin

Assistant Professors
- Dr. Imran Ahmed Siddiqui
- Dr. Zaheeruddin
- Mr. Syed Zeeshan Abbas
- Dr. Saifuddin Ahmed Jilani
- Dr. Intikhab Ulfat

Lecturers
- Ms. Rabia Najam
- Mr. Asim Aiaz
- Mr. Haiz M Sohail
- Mr. Sheikh M. Zeeshan Iqbal
- Ms. Sadai Fatima
- Mr. Ommair Ishaque
- Mr. Waqar Ahmed
- Mr. Ibrahim M. Babar
- Ms. Rizwana Siddiqui
- Mr. Kamran-ul-Haq
- Mr. Zuhoor Ilahi
- Mr. Imran Ahmed

Programs Available
- M. Sc. in Physics (with specialization in Electronics and Communication)

Department of Physiology

Introduction
The department of Physiology is an important segment of the Faculty of Sciences, University of Karachi and occupies a very prominent place in the modern age of Biosciences, Clinical/Biomedical Sciences and other Applied Biological Sciences. Founded by Prof. Dr. M. H. Qazi, in 1964, the department of Physiology was the first department outside medical colleges to introduce teaching and research programs in basic and experimental physiology at the graduate and postgraduate levels. Currently, the department has 21 faculty members, 17 supporting staff members and more than 1000 students. Several renowned professors are the pioneer faculty members of the department and are presently serving on key posts in various organizations.

Career Opportunities
Physiology is the core of medical research being done all over the world. Dozens of foreign scholarships for advanced studies in Physiology. Physiologists are required in a number of places, like, pharmaceutical industry, health monitoring departments, biosynthetic industry, instrumentations in biomedical sciences, health related organizations, population welfare division, agriculture, livestock and poultry industry, diagnostic laboratories, occupational therapies, physiotherapy centers, nutritional/sports centers, radiological institutions, biotechnology, bioinformatics, bioengineering, synthetic biology, nursing, medical universities, hospitals, diagnostic laboratories, pharmaceutical industry, research and teaching institutions.

Facilities
The department has sufficient facilities necessary to run the academic and research activities. Below is the list of all the facilities:
- Well equipped labs for students & researchers;
- Audiovisual aids like overhead projectors, multimedia, camera and television for interactive teaching;
- A well organized Seminar Library with up to date textbooks and references on various disciplines of Physiology;
- Basic & ultimate Power Labs for laboratory experiments &demonstrations;
- Computer facilities are available in all special units for researchers.
- A separate computer laboratory with 12 computers is available for academic & research activities.
- Internship facilities for students in different organizations are available.

Specific Research Areas
A great deal of research at M. Phil. & Ph.D. levels is conducted in different disciplines of Physiology, such as Neuromuscular Physiology, Hematology, Molecular Physiology & Biophysics, Molecular & Clinical Endocrinology and Reproduction and Poultry Physiology, which is being done in collaboration -with K&Ns Poultry diagnostic & research Laboratory. Currently, more than 25 research scholars are registered in M. Phil./Ph.D. programs in various disciplines including clinicians from hospitals and medical universities.

Blood disorders; Endocrine/Metabolic & Reproductive abnormalities, especially, Diabetes mellitus, Metabolic Syndrome, Infertility. PCOS changes; Breast Cancer: Reproductive Changes in marine models; Poultry Vaccinology, diseases and molecular studies of disease mechanism; Neuromuscular disorders; Oxidative stress.

Faculty Members
Professor
- Ms. Qamar Amin (Chairperson)

Institute of Space & Planetary Astrophysics

Introduction
Space technology acts as a catalyst for uplifting the economy of a country. Space technology is being used for dynamic traffic information, air traffic control, navigation, communication via satellite (GNSS), natural resource monitoring, precision agriculture, telemedicine, planning and management of land use, mining, public safety and disaster management and understanding important geophysical phenomena like earthquakes or tsunami. Education and research in space science is an integral part of the Institute of Space and Planetary Astrophysics (ISPAS). University of Karachi. The main objective of the institute is to carry out basic and applied research in the fields of Space Science. ISPAS has already produced quality research work in diversified areas such as: computational astronomy, space antennas, star formation, early visibility of crescent moon and galactic astronomy, ionospheres, aerosol variability, ozone depletion, climate variability, flood risk assessment, etc. The most of the research is carried out with particular reference to indigenous problems. Currently we are also expanding our scope to fields like cosmology, astrophysical plasma, computational astrophysics, radio astronomy and other areas.

Career Opportunities
Our graduates of M.Sc. in Space Science will have job openings in organizations like SUPARCO, NESCOM, National Institute of Oceanography, Civil Aviation Authority, PIA, Pakistan Meteorological Department, National Telecommunication Corporation, Pakistan Telecommunication Corporation Ltd., Sui Southern Gas Company and Oil and Gas Development Ltd. etc. Students, with their computing and data analysis skills, can also pursue carriers in programming, data analysis, game development and other related areas.

Facilities
The institute provides all academic facilities to the students. The institute has a Seminar Library with 1000 titles. We also provide facilities of Digital Library to every students of ISPAS. It has the following Labs:
- ISPAS Astronomical Observatory (equipped with a 6 inch refractor telescope of German made)
- Computational Astronomy Lab
- Remote sensing and GIS Lab
- GPS Lab

Specific Research Areas
- Geo-Space Science (Atmospheric Sciences, Upper Atmospheres, etc.)
- Computational Astronomy / Astrophysics
- Space Flight Dynamics & Aerodynamics
- Global Navigation Satellite System (GNSS)
- Satellite Communication / Space Antennas
- Remote Sensing and GIS

Faculty Members
Professors
- Dr. Muhammad Jawed Iqbal (Director)
- Dr. Muhammad Shahid Qureshi

Associate Professor
- Dr. Mudassar Hassan Arsalan

Assistant Professors
- Mr. Mirza Jawwad Baig
- Mr. Naeem Sadiq

Department of
Statistics

Introduction
The department of Statistics was established in the year 1963. Both in terms of physical facilities and academic facilities the department of Statistics is one of the most popular departments within the university.

Career Opportunities
The opportunities are open for the Students of Statistics and Actuarial Sciences and Risk Management in all fields including banks, industries, Government Organization (FBS, SBS, PBS, State Bank, etc.), Research Organizations, insurance and investment fields.

Facilities
The department has a Seminar Library and data bank stocked with a number of latest and good books on all branches of statistics. The Library has also a large collection of statistical publications of national and international organizations. The students and researchers are also using the facilities of data bank in the department that has several computer laboratories having more than 100 computers.

Well-equipped Computer Laboratories with an environment of networking and statistical packages such as SAS, SPSS, S-PLUS, R, STATA, EVIEWS, MATHEMATICA, MATLAB, MINITAB, ITSM etc. are available for students and researchers.

Faculty Members
Professors
• Mr. S. Afrozuddin Ahmed
• Dr. Mudassir Uddin (Chairman)

Associate Professors
• Mr. Muhammad Aslam
• Dr. Ehtesham Hussain

Assistant Professors
• Mrs. Rafia Shafi
• Dr. Farah Yasmeen
• Dr. Javed Iqbal
• Ms. Arfa Maqsood
• Ms. Suboohi Safdar
• Ms. Bushra Shamshad
• Ms. Samreen Fatima

Lecturer
• Ms. Sara Azhar

Programs Available
• M.A./M.Sc. in Applied Statistics

Department of Zoology

Introduction
The department of Zoology was established in 1951 and now it holds a pivotal position in the faculty of Science. Right from its inception, the department has imparted quality education at B.Sc. and M.Sc. levels. It also provides facilities for post-graduate research leading to M. Phil. and Ph.D. degrees. Presently, almost all the faculty members are Ph.D. degree holders. Two research journals are edited by our faculty members: i) Wildlife and Natural History ii) Pakistan Journal of Entomology (HEC recognized). We are proud to mention that more than two thousand (2000) research papers by the faculty members of Zoology have been published in national and international research journals. Besides the publication of research papers, our faculty members have published books as well (40 in number).

Career Opportunities
The graduates of zoology get jobs as teachers in universities, colleges and schools, as subject experts in various educational boards, Job opportunities are available in the Department of Agriculture, Agriculture Extension Department, Department of Forestry, Plant Protection, Freshwater Fisheries, Marine Fisheries Department, Fish Processing Industries Coastal Development, Marine Observatories, Environmental Protection Agency (EPA), Fisheries Harbor Authority, Naval Hydrography and Shipping Industries, Wildlife Department, Foods and Resource Economics, Medicine Companies, Slit Aquaculture and Industries, Forestry Departments, Middle East and Far East Countries for aquaculture and industries related to marine resources, Zoological Survey, Zoological Gardens, Safari Parks, Pakistan Council of Scientific and Industrial Research, National Institute of Oceanography, Pakistan Agricultural Research Council, WWF, IUCN, Public and Private sectors pathological laboratories, Pakistan Atomic Energy Commission, Entomology section, Pesticide companies and pest control agencies, Pakistan Central Cotton Committee, Government of Pakistan Horticulture Department, Quarantine Department, Armed Forces Pest Control Positions, Hospitals, Companies level pest control position, Govt. Health Department, Malaria Management Department, etc.

Facilities
The department has a Computer Lab and Instrument Labs of Toxicology and Hydrology containing Atomic Absorption HPLC, and GLC, Graphite Furnace, Colorimeter, Spectrophotometer and latest microscopic photographic system. In addition to the instrument Labs, the department has a Zoological Museum which occupies a special place among the museums of Pakistani universities. It has a huge collection of vertebrates and invertebrates from James Murray's collection and substantial collection of fresh water and marine fauna of Arabian Sea, Persian Gulf and Indian Ocean. During the past 61 years a considerable addition of insects from various areas of Pakistan, Bangladesh including Oriental, Trans-Himalayan (Palaearctic) and Ethiopian from Lasbella and Mekran Coast, have been added. Work on fish taxonomy (freshwater and marine), protozoans, helminthes, insects and other arthropods is undertaken by trained and experienced staff. The department is also working in collaboration with outstanding taxonomists in Japan, Europe, U.S.A. and Canada.

Specific Research Areas
The department also gives opportunity for research to the students, who wish to specialize in Applied Zoology, Entomology, Limnology and Freshwater Fishery Biology, Marine Zoology, Parasitology and Wildlife Fisheries. More than 80 research projects funded and sponsored by national as well as international agencies have been successfully completed by the faculty members.

Faculty Members

• Dr. M. Arshad Azmi (Chairman)
• Dr. Nasira Khatoon (BRC)
• Dr. Syed Ansar Rizvi
• Dr. M. Farhanullah Khan
• Dr. M. Zaheer Khan

Associate Professors
• Mr. M. Atiqullah Khan
• Dr. Farzana Yousuf
• Dr. Solaha Rahman

Assistant Professors
• Ms. Afshan Jabbar Khan
• Dr. Sumera Farooq
• Mrs. Shakila Parveen
• Dr. Rizwana A. Ghaffar

Lecturers
• Ms. Roohi Kanwal
• Ms. Atia Batool

Programs Available
• M.Sc. in Zoology

---

**IMPORTANT NOTE (FOR ALL CANDIDATES)**

1. Fee shall be deposited at the “Directorate of Evening Program” in the form of “Pay Order” drawn in favor of “The University of Karachi” as per schedule given at page v.

2. Fee once deposited is non-refundable under any circumstances.

3. There is no provision for fee concession, installments or scholarships.

4. The cost of fee vouchers is charged @ Rs.20/- at the time of fee submission.

5. Examination Fee for all students will charged @ Rs.200/= per course

---

**FOR FOREIGN STUDENTS**

At the Masters level, Foreign Students are required to Pay Rs.2,00,000/- per academic year & Examination Fee Rs.200/- Per Course.
TABLE – IV

SAMPLE TEST PAPER

General Instructions:–

1. The test is divided into several parts. Each part is composed of objective (multiple choice) questions.
2. Possible answers are given in the form of (A), (B), (C) or (D). You are expected to write the alphabet of the correct answer (only one alphabet) on your Answer Sheet. An example is given below:
   (A)                           (B)                  (C)                      (D)

PART-1 (ENGLISH VOCABULARY)
Mention the correct meaning (in the sentence):

1. Sporadic
   A) Intermittently B) Permanent   C) Periodical       D) Special Nature

2. Licit
   A) Large                 B) Lazy             C) Lawful             D) Literary

3. Lack Luster
   A) Backward          B) Lucky           C) Unimpressiv e  D) Wealthy Lot

PART-II (ENGLISH - Sentence Formation)
For each of the following, choose the most suitable answer:

1. Philippines is a Unique Asian Country; because ___________
   A) Former President Marcos and his wife Imanda were thrown out because they had lot of wealth from illegal means and corruption.
   B) They had to live in exile in Hawaii. A part of their wealth was recovered from Swiss Bank.
   C) Its population is by and large Christian, except some places in South, where Muslim population is in majority.
   D) It was a colony of America for 50 years.

PART-III (ENGLISH-Comprehension and Memory)

Read the following passage carefully, and then answer the questions given below:

Aeroplanes are slowly driving me mad. I live near an airport, and sound of passing planes can be heard night and day. The airport was built during the war, but for some reason it could not be used then. Last year, however, it came into use. Over a hundred people must have been driven envoy from their homes by the noise. I am one of the few people left in the locality. Sometimes I think this house will be knocked down by a passing plane. I have been offered a large sum of money to go away, but I am determined to stay here. Everybody says I must be mad, and they are probably right.

1. The Writer is:
   A) Very disturbed      B) Going mad      C ) Very happy      D) Scared
PART-IV (General Mathematics - Sequence and Series)
This part of the test requires you to study a series of numbers. Understand the pattern, and identify the next number in the series:
1. 3 5 9 15 23 33 ?
   A) 30 B) 43 C) 45 D) 55
2. 2 8 18 32 ?
   A) 38 B) 48 C) 50 D) 64

PART-V (General Mathematics - Word Problems)
This part of the test consists of 15 word problems such as those shown in the examples below:
1. Men’s white handkerchief costs Rs. 2.29 for 3. The cost per dozen is:
   A) 6.87 B) 9.16 C) 13.74 D) 27.48
2. A piece of wood weighing 10 ounces is found to have a weight of 8 ounces after drying. The moisture content was:
   A) 10% B) 20% C) 80% D) 33.33%

PART-VI (General Mathematics - Simple Arithmetic)
1. 1.5-1.82 + 0.32
   A) 0.00 B) 0.01 C) 0.10 D) 0.32
2. 3/48 is what part of 1/12
   A) 1/2 B) 3/4 C) 4/3 D) 12

PART-VII (General Knowledge)
1. Rauf Denktash is a Muslim Leader of:
   A) Albania B) Bosnia C) Cyprus D) Turkey
2. Talia Yasin Remadan was a former:
   A) Foreign Minister of Egypt B) Secretary General of Arab League
   C) Foreign Minister of Syria D) Vice President of Iraq
3. Mr. Edward H. Seed, who died recently, was originally from:
   A) Iraq B) Lebanon C) Palestine D) Syria

Rules for MBA
1. Minimum qualifying marks in the Aptitude Test are 50%.
2. Merit list of candidates qualifying in the Aptitude Test will be prepared for final selection as per following weightage:

   | Pre-requisite (Graduation) Academic Record | = | 50% |
   | Aptitude Test                               | = | 50% |
