

Arabic Language Course

Objectives

The main objective of this course is to promote Arabic language by giving a basic know-how about Arabic language and culture to develop interest in Pakistani people for learning Arabic language. Arabic is a very interesting language, and its sentence structure is very similar to Urdu and Persian. It is also very pleasing to note that Arabic is the language of the Holy Quran, the eternal miracle which was revealed to be the way of life for mankind. It is also the language of our Beloved Prophet Muhammad (صلى الله عليه وسلم). The purpose of joining language proficiency and disciplinary specialization is to provide Arabic majors with the communicative skills and intellectual background necessary for a meaningful engagement with the Arab world and a thorough appreciation of its cultural and intellectual traditions.

Contents

The goal of the Arabic major is to achieve basic language proficiency in the four areas of language performance: Speaking, Listening, Reading, and Writing. More specifically following topics will be covered.
