

Chinese Language Course

Objectives

The primary objective of this language course is to promote Chinese Language through giving a basic understanding about the Chinese Language and its culture to develop the interest of Pakistani people in learning of Chinese Language. Chinese Language is considered as one of the world's difficult languages, but a good teaching can make it far easier than ever. Moreover, as Pakistan's role is getting significantly bigger in China-Pakistan Economic Corridor (CPEC), the need for understanding Chinese language and culture is ever increasing. There is huge demand for Chinese speakers in almost all of the CPEC related projects. Without doubt this certificate course will immensely benefit not only the students but also people of Pakistan at large at various levels, such as economy, society, culture, education and many more.
