

**NOTIFICATION**

It is hereby notified for the information of all concerned that the Vice Chancellor on behalf of Academic Council has approved the **reissuance of MBA & EMBA degrees awarded from 2020 onwards in adherence to the Implementation of Revised Business Education Roadmap 2019, clause 3, sub clause (a) and clause 4 sub-clause (a) & (b) issued by Higher Education Commission (HEC) with the revised guidelines to expedite the attestation process of the University Alumni.**

Further the MBA & EMBA students whose degrees were issued prior to the full implementation of the Revised Business Education Roadmap 2019 (specifying their field of specialization on their degrees) are directed to resubmit their existing degrees to the Degree Section for reissuance. And to prevent future complication the Degree Section is directed not to mention the field of specialization on any future MBA & EMBA degrees issued.

This is being issued with the approval of the Vice-Chancellor.

No.Estt.N.T.I/2026

June 23, 2026

**NOTIFICATION**

With the approval of the Vice Chancellor, it is notified for the information of all concerned students, graduates, and alumni that the procedure for attestation of degrees by the Higher Education Commission (HEC) has been streamlined through the online Degree Attestation System (DAS).

In this regard, important guidelines and instructions regarding HEC Degree Attestation are available on the University's website. All applicants are advised to carefully read and follow these guidelines before applying for degree attestation through the HEC online portal.

The important guidelines are as follows:

1. The HEC E-Services Portal (<https://eservices.hec.gov.pk/>) is a data-fetching portal only and is not a production server or data-hosting repository. Therefore, students are requested not to create their educational profiles directly on the E-Services Portal for degree attestation purposes.
2. Students must first create their educational profile on the HEC E-Portal (<https://eportal.hec.gov.pk/>) and complete all required educational details. After successfully completing the profile, the system will automatically redirect users to the E-Services Portal for further processing.

Detailed instructions are also available on the University's website:  
<https://uok.edu.pk/oric/pqrqct.php>
