

INTERNATIONAL VISITS

CPC facilitate the International visits to promote the exchange of knowledge regarding indigenous and ethnobotanical plants. It also contributes in developing new ideas and advance techniques in plant sciences.

A senior Russian researcher Dr. Nuria Koteyeva visited Prof. Dr. S. I. Ali Botanical Garden on Feb 27th, 2023. She works on halophytic plants. Dr. Salman Gulzar (Director, Dr. Muhammad Ajmal Khan Institute of Sustainable Halophyte Utilization), Dr. Shaukat Ali (Senior Taxonomist), & Taba Rauf (Teaching Associate/ Research Officer) facilitated her in Plant collection & identification.
