

## 1. Celebrated Open House March 15<sup>th</sup> -16<sup>th</sup> 2023

The open house aimed to educate the locals/ public about diversity of plants and bring them closer to nature. It is also organized to provide teachers with ideas on how to present plant science to school children in dynamic ways (included lectures, tours, demonstration) and information about Plant Science.

This ceremony and plantation drive 2023 inaugurated by Prof. Dr. M. Khalid Iraqi (Honorable Vice Chancellor University of Karachi), President of Unikarians International Prof. Ejaz Ahmed Faruqi was also honored our programme.
