Message from Al Kauser

The Quranic term Kauser means "the source of abundant good" as Takathur or Katheer which usually refer to something in "abundance".

Our efforts, though small and little in quantity, are hoped to have the potential of becoming this source of several goods. We hope that Allah (SWT) accepts our efforts, provides us the wisdom to organize our affairs, gives us the strength to do as needed, and showers these efforts with His unlimited Mercy.
