

1st International Conference on Pharmacology and Allied Sciences

28th & 29th June 2024

First Author ¹ , Second Author ¹ , Third Author ² , Fourth Author ² , Fifth Author ³
¹ Affiliations
² Affiliations
³ Affiliations
Note: (Affiliation is indicated by putting an asterisk or number as a superscript on author name. If
all authors have same affiliation just mention it once. Additional affiliation will be given only
when all authors have different affiliations. For e.g. If first and second author have same affiliation
their affiliation will be numbered as 1 in superscript and if the next author has different affiliation,
they will be numbered as 2 and so on.)
Presentation Type: Oral or Poster (In case of Oral presentation, name of presenting author must
be mentioned in Bold)
Topic Category: Insert topic category (Topics are not restricted to 14 tracks given in flyer, and
can be chosen from any field of pharmacology and allied sciences)
Abstract: (summary of your research work in 250 to 300 words)
